

Doing It with Dignity & Grace While Raising Happy, Healthy, Well-Adjusted Children

This book will help divorcing parents in some simple ways that I wish I'd been helped as I stumbled my way through divorce with kids. I'm amazed at how well my Ex and I have been able to manage it and am constantly told by others that ours is an exemplary model for managing post-divorce life for our children and ourselves. Share others' success stories for simple, practical advice and insights. See how taking care of yourself will help you take care of your family. This book will help prevent divorce remorse and divided loyalties. This distillation of what I have learned from my own experience and from watching others either succeed wildly or fail spectacularly at divorcing with children is what I call Divorcing with Tenderness, Grace and Dignity. Or, failing that, with Sanity, Self-respect, and Solvency.
