▶ **More about the Book:**

Experts predict that half of all dogs will get some type of cancer in their lifetimes with 80 percent of dogs over the age of 10 dying from the disease. The grim statistics go on and on. But the good news is that for every dog that passes away, there are thousands of stories of survival yet to be told.

42 Rules to Fight Dog Cancer (2nd Edition) is a compilation of real stories, told by real people about their successful battle against dog cancer. The book is rooted in the thought that through the collective knowledge of dog owners everywhere, we will be closer to eradicating this disease. Filled with concrete tips that you can start using immediately, 100% of the author's proceeds will be donated to dog-related causes.
