### ► More about the Book:

Cross platform technology could be "The Next Big Thing." Glide is a pioneering and award winning cloud-computing service leading the emergence of the cross platform space. If you use any combination of Microsoft Windows, Google Android and Apple iOS/OS X devices and various cloud services like Dropbox, Google Docs and Facebook in your home or business, this book is a must read.

*Cloud Computing: The Glide OS Story* provides a detailed primer on the challenges and opportunities faced by start up companies and how they all relate to major changes in the technology industry and the global financial environment.
