### ▶ More about the Book:

As Barbara has noticed repeatedly, most of what occupies people in their job searches is really no more than busy work or wheel spinning. Job seekers often post endlessly on dead-end or random job boards, attend local career fairs whether or not they are useful, or simply hand out resumes to someone who promises to 'see what they can do'--but these search methods rarely yield fruitful outcomes.

With expert insight and perspective, Barbara reveals the way to be well informed and better prepared for the journey ahead. And surprisingly, she shows that it's possible to even find some fun, joy, and happiness during your job search. With articulate grace, Barbara shows you how to enjoy and see success even in the most trying job search situation.
